Global Community of Learners

Why Cambridge?

- Joining the Cambridge school connects our students to a prestigious global network of over 10,000 schools across 160 countries.
- The curriculum empowers learners with world-class academic excellence and essential life skills, shaping them into confident, future-ready global citizens.
- Admissions for the Cambridge Pathway: A streamlined admission process, ensuring a smooth and welcoming transition for aspiring learners where learning transcends boundaries and excellence knows no limits!

SUBJECTS & CURRICULUM

At Allenhouse Public School, the Cambridge Primary Curriculum offers:

- English**: Strengthening communication through reading, writing, and speaking.
- Mathematics**: Building logical reasoning and problem-solving skills.
- Science**: Promoting inquiry and exploration through hands-on learning.
- ICT**: Equipping students with essential digital skills.
- Hindi**: Being offered as a second language.
- Global Perspectives**: Cultivating critical thinking and a global outlook. A dynamic curriculum for young, global-ready learners!

International Benchmarking

- Cambridge assessments set the gold standard in education, evaluating learners on deep subject mastery, conceptual clarity, and advanced critical thinking.
